Disaster Preparedness/Business Continuity Plan

We have developed a Business Continuity Plan on how we will respond to events that significantly disrupt our business. Since the timing and impact of disasters and disruptions are unpredictable, we will have to be flexible in responding to actual events as they occur. With that in mind, we are providing you with this information on our Business Continuity Plan.

Contacting Us – If after a significant business disruption you cannot contact us as you usually do, you should call our alternative number, 415-995-2002, or send us a message via our website at www.ackrell.com.

Our Business Continuity Plan – We plan to quickly recover and resume business operations after a significant business disruption and respond by safeguarding our employees and property, making a financial and operational assessment, and protecting the firm's books and records. Our Business Continuity Plan is designed to permit our firm to resume operations as quickly as possible.
